Sai!  
Wait a  
minute!

Untie me!  
What do  
you think  
you're  
doing?!

There's  
something  
I want  
to try.

This is why  
you can't  
give virgins  
porn!!

Since I  
want to  
make friends  
with Sakura  
and all.

At the library,  
I found a  
book with  
rules for  
getting along  
with women.

Hey!

Knock  
it off!

Right, right.  
The book said  
what those  
words meant,  
too.

huh  
!?

Stop?  
I...  
don't  
think so.

Moron!

It said,  
"no, stop!"  
actually  
means  
"keep going!"

That's  
totally  
the wrong  
thing to  
do!

Stop it!  
No means  
no!

But  
you  
do this  
sort of  
thing  
to get  
along with  
your other  
teammates,  
right?

I just  
want you  
to treat me  
the same  
as you do  
everyone  
else!

Hey,  
wait a  
minute!  
This is  
clearly all a  
misunder-  
standing!  
That sort  
of talk isn't  
right at all!

eh?!  
What  
are  
you  
doing?!

ah!

don't  
...

ah...  
stop  
...

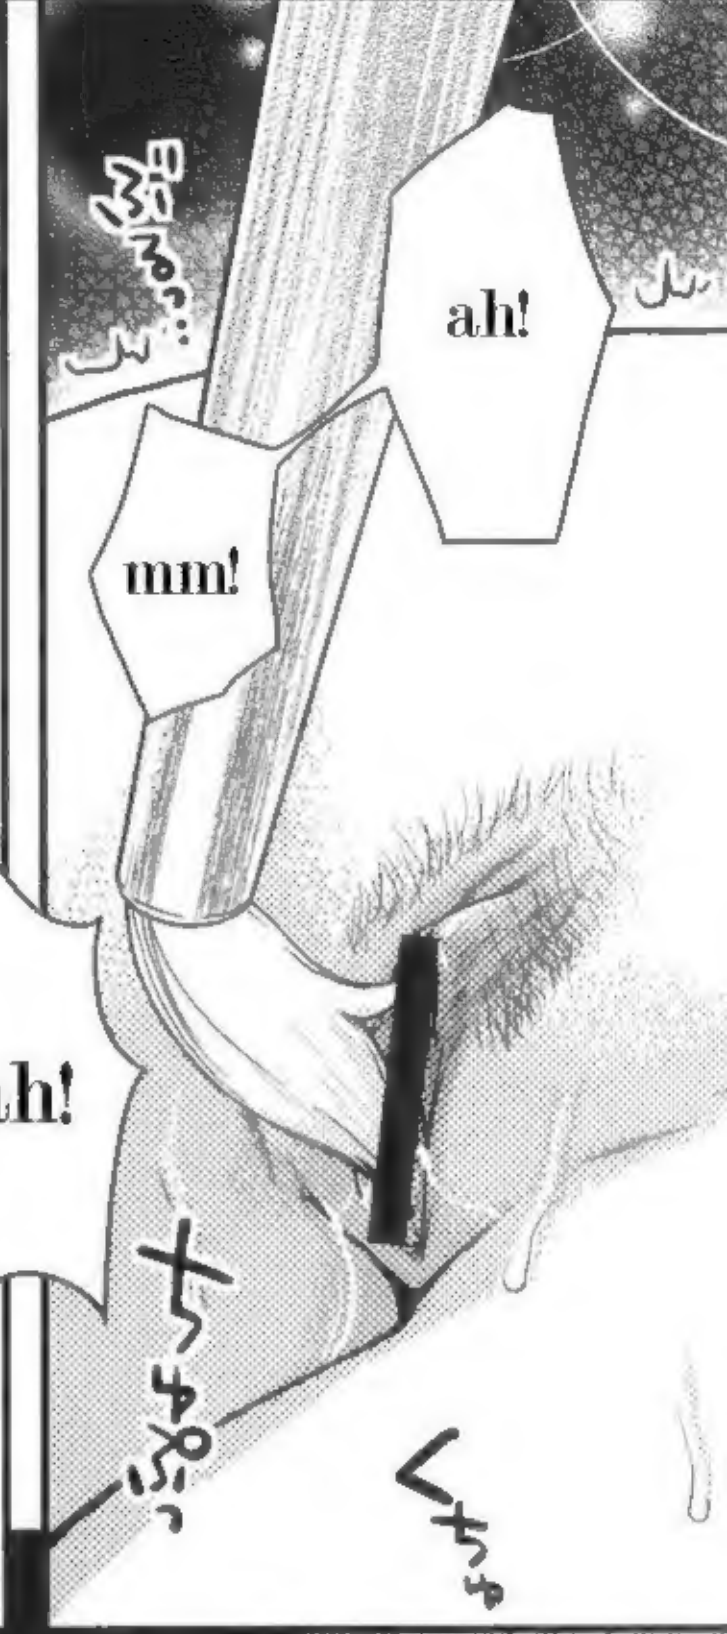

Don't  
--ah!--  
say  
that!

Your  
nipples  
are getting  
hard, aren't  
they?

No...!  
Don't...!  
Stop it...!

No!  
I want  
you to  
stop!

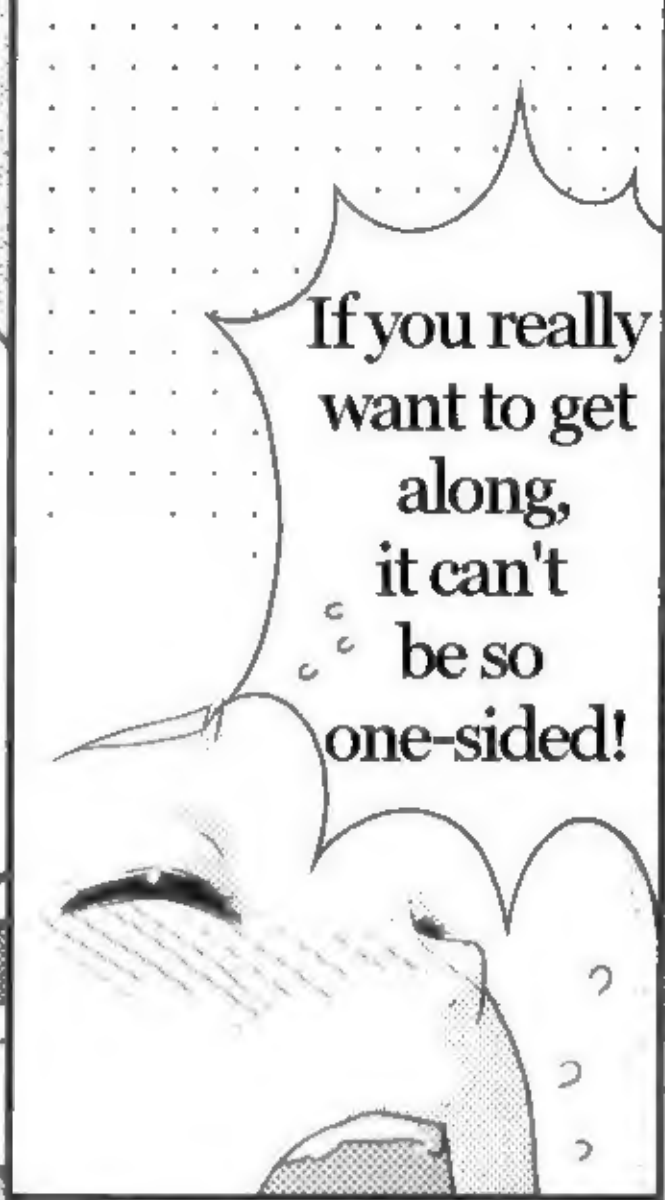

You  
want me  
to keep  
using  
the brush?

You're  
already  
really wet,  
huh?

Have you considered that I might have an opinion on this?  
so untie me!

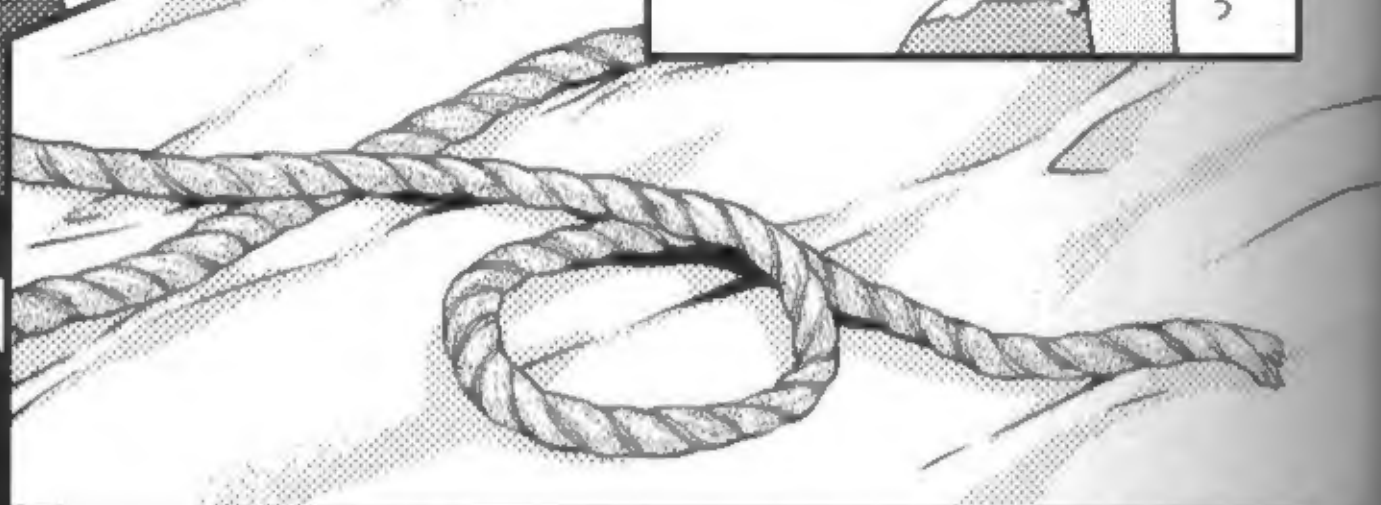

If you really want to get along, it can't be so one-sided!

ニ  
ニ  
ニ

...never mind.

No wonder you're always saying Naruto's penis is small...

What about penis?

チ  
チ  
チ

This  
guy's  
is  
huge  
...

My mouth is  
so full I can't  
even move  
my tongue,  
and he's not  
even all  
the way in!

Will I  
be able  
to use my  
mouth  
for this?

m  
...

mm

mm  
...

mmph  
!!

m

I can't...  
it won't  
move  
around  
right in  
my mouth  
...

It's  
pulsing  
...

I  
couldn't  
swallow  
it all...

So  
much  
...

Only  
doing  
that isn't  
enough  
though,  
right?

aah!

ah  
!!

I should  
return the  
favor,  
shouldn't  
I?

You  
don't  
have  
to!

ah!

yah!

It's  
completely  
incompre-  
hensible...

Stop  
talking!  
You're  
full of  
it!

When you tell  
women the truth,  
they get angry.  
They're happy,  
but pretend  
like they're  
not.

Don't  
do that!

Stop!

\*grin\*

I know  
you don't  
really mean  
that.

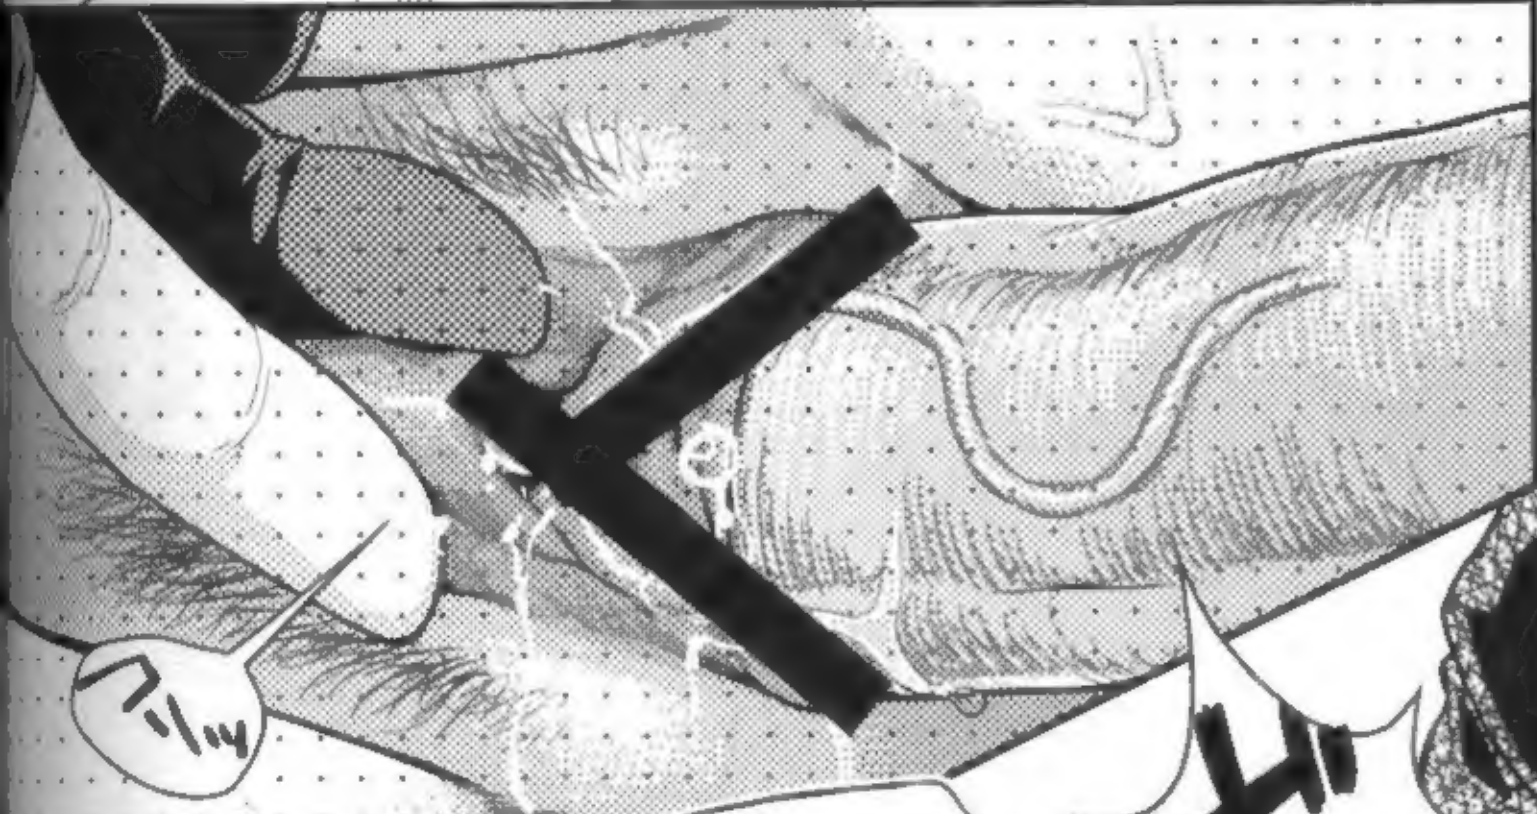

I do  
...ah!

aaaah!!

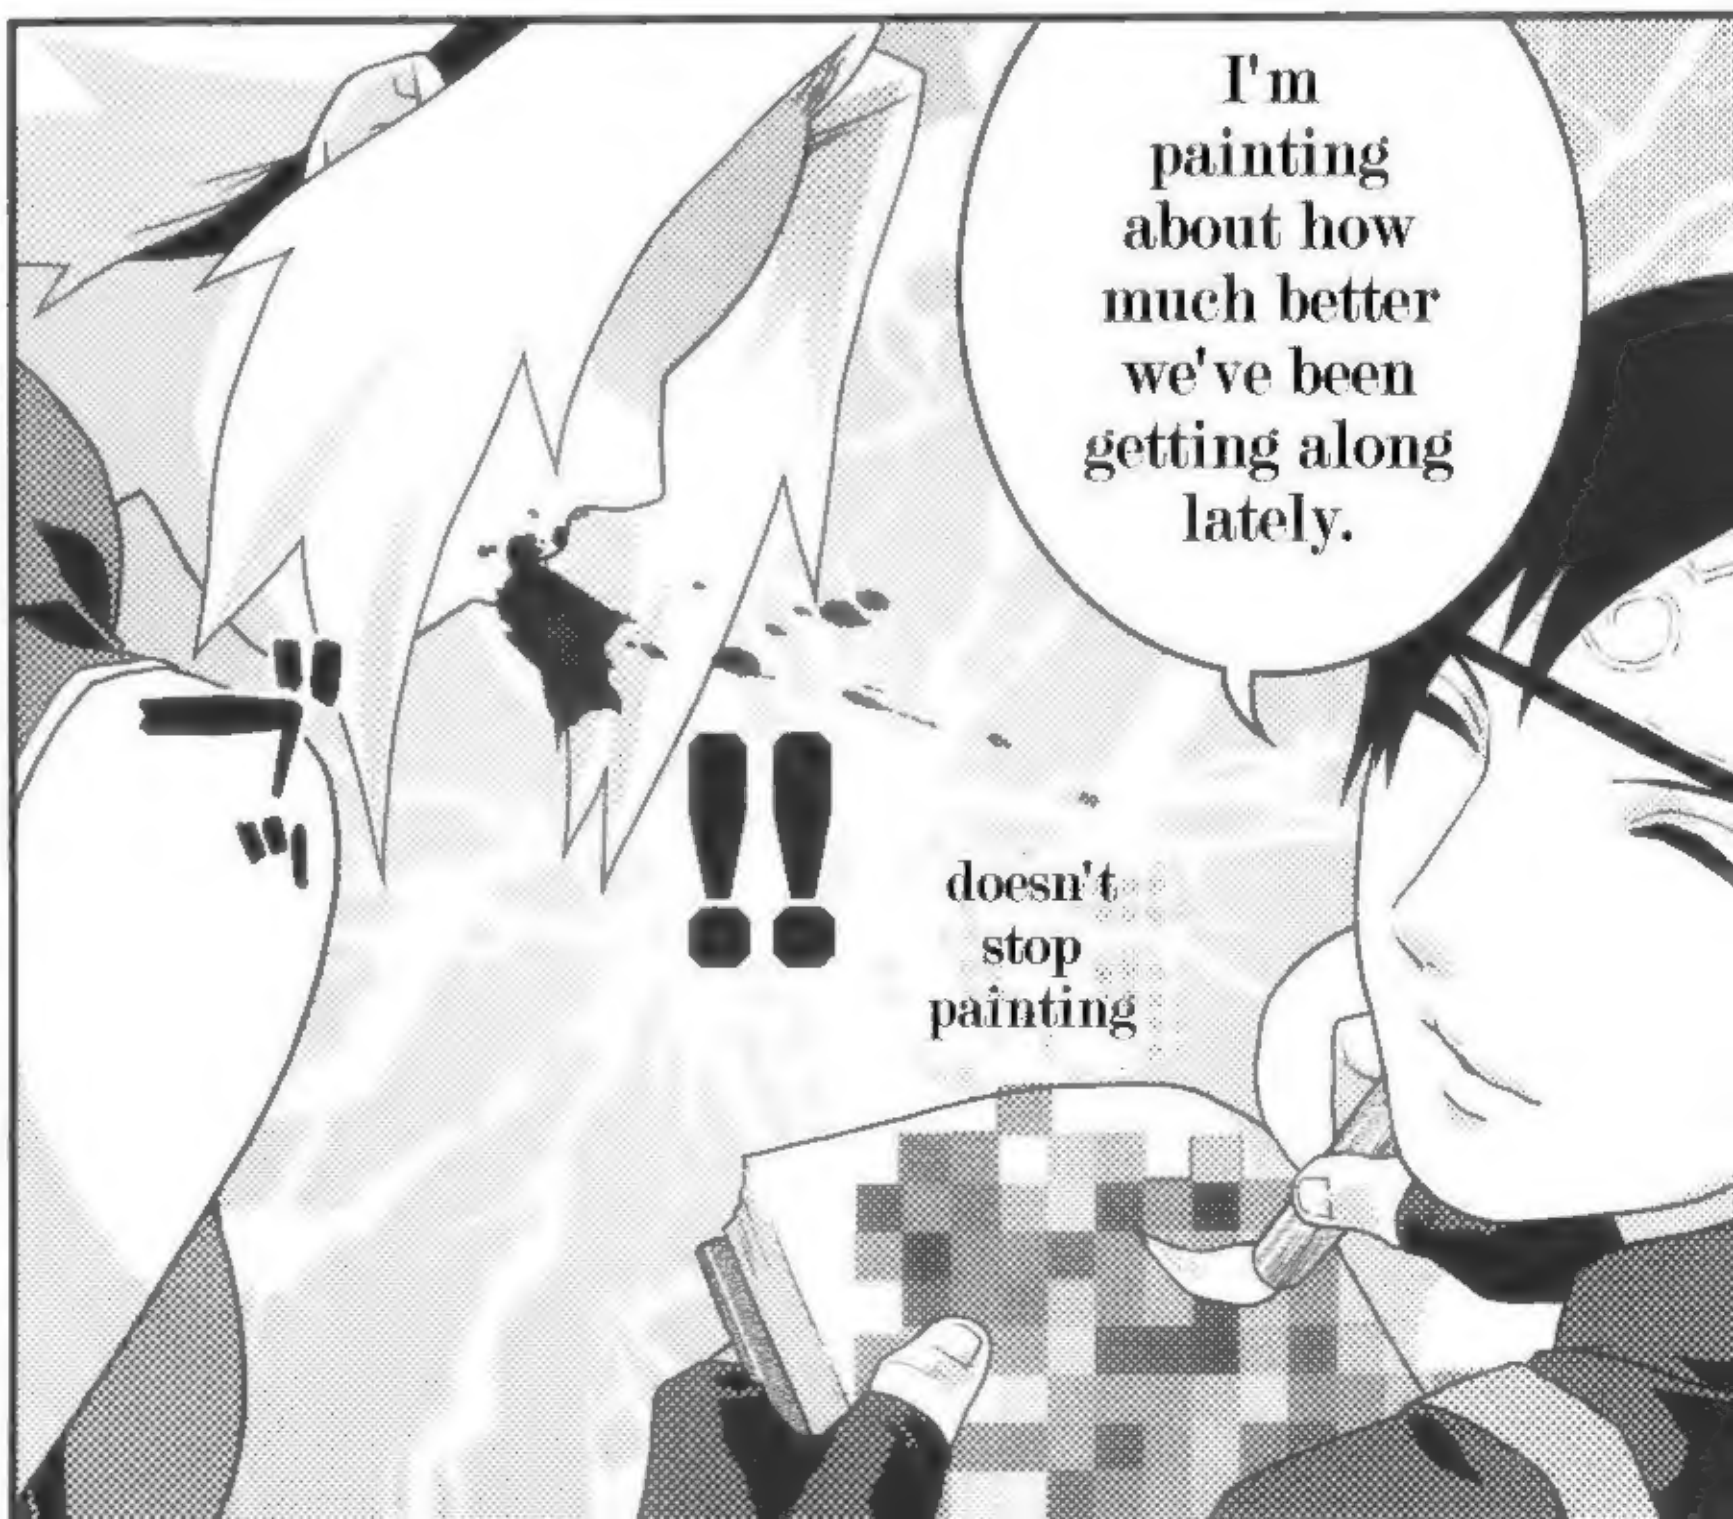

I think  
your current  
appearance  
pleases me  
greatly.

Looks like we're getting along a bit better, doesn't it?

NEXT  
DAY
